“EXHIBIT A”

STATE OF ALABAMA
COUNTY OF LIMESTONE

GENERAL OBLIGATION WARRANT

Issuer: Limestone County Commission
 310 West Washington Street
 Athens, AL 35611

Purchaser: First National Bank
 Athens
 1880 Highway 72 East
 Athens, AL 35613

Principal Amount: \$1,600,000.00
 Issue Date: _____, 2016
 Maturity: _____, 2026
 Warrant/Loan No.: 427497500
 Account: _____

Purchaser's Officer No.: 208 Purchaser's Officer Initials: _____

PROMISE TO PAY. LIMESTONE COUNTY COMMISSION (“Issuer”) promises to pay to FIRST NATIONAL BANK (“Purchaser”), or order, in lawful money of the United States of America, the principal amount of One Million Six Hundred Thousand & 00/100 Dollars (\$1,600,000.00) together with interest on the unpaid principal balance from _____, 2016, calculated as described in the “INTEREST CALCULATION METHOD” paragraph using an interest rate of 2.850% per annum based on a year of 360 days, until paid in full. The interest rate may change under the terms and conditions of the “INTEREST AFTER DEFAULT” section.

PAYMENT. Issuer will pay the General Warrant issued in 9 principal payments of \$160,000.00 each and one final principal and interest payment of \$162,330.67. Issuer's first principal payment is due _____, 2017, and all subsequent principal payments are due on the same day of each year after that. In addition, Issuer will pay regular semi-annual payments of all accrued unpaid interest due as of each payment date, beginning _____, 2017, with all subsequent interest payments to be due on the same day of each half-year after that. Issuer's final payment due _____, 2026, will be for all principal and all accrued interest not yet paid. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; and then to any late charges. Issuer will pay Purchaser at Purchaser's address shown above or at such other place as Purchaser may designate in writing. All payments must be made in U. S. dollars and must be received by Purchaser consistent with any written payment instructions provided by Purchaser. If a payment is made consistent with Purchaser's payment instructions but received after 4:00 PM Central Time, Purchaser will credit Issuer's payment on the next business day.

INTEREST CALCULATION METHOD. Interest on this Warrant is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Warrant is computed using this method.

PREPAYMENT. Issuer may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Purchaser in writing, relieve Issuer of Issuer's obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in Issuer's making fewer payments. Issuer agrees not to send Purchaser payments marked “paid in full”, “without recourse”, or similar language. If Issuer sends such a payment, Purchaser may accept it without losing any of Purchaser's rights under this Warrant, and Issuer will remain obligated to pay any further amount owed to Purchaser. **All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes “payment in full” of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: First National Bank, Main Office, PO Box 289, Pulaski, TN 38478.**

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 19, 2016

LATE CHARGE. If a payment is 10 days or more late, Issuer will be charged 5.000% of the unpaid portion of the regularly scheduled payment or \$15.00, whichever is greater.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Warrant shall be increased to 18.000% per annum based on a year of 360 days. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Warrant:

Payment Default. Issuer fails to make any payment when due under this Warrant.

Other Defaults. Issuer fails to comply with or to perform any other term, obligation, covenant or condition contained in this Warrant or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Purchaser and Issuer.

False Statements. Any warranty, representation or statement made or furnished to Purchaser by Issuer or on Issuer's behalf under this Warrant or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The insolvency of Issuer, the appointment of a receiver for any part of Issuer's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Issuer.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Issuer. This includes a garnishment of any of Issuer's accounts, including deposit accounts, with Purchaser. However, this Event of Default shall not apply if there is a good faith dispute by Issuer as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Issuer gives Purchaser written notice of the creditor or forfeiture proceeding and deposits with Purchaser monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Purchaser, in its sole discretion, as being an adequate reserve or bond for the dispute.

Adverse Change. A material adverse change occurs in Issuer's financial condition, or Purchaser believes the prospect of payment or performance of this Warrant is impaired.

Cure Provisions. If any default, other than a default in payment, is curable and if Issuer has not been given a notice of a breach of the same provision of this Warrant within the preceding twelve

(12) months, it may be cured if Issuer, after Purchaser sends written notice to Issuer demanding cure of such default: (1) cures the default within ten (10) days; or (2) if the cure requires more than ten (10) days, immediately initiates steps which Purchaser deems in Purchaser's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

PURCHASER'S RIGHTS. Upon the occurrence of any default described in the "Insolvency" or "Creditor or Forfeiture Proceedings" clauses, to the extent that any such default by a guarantor relates to the matters described in the clause "Insolvency" of the paragraph entitled "DEFAULT", the entire unpaid principal balance under this Warrant and all accrued unpaid interest shall become immediately due, without notice, declaration or other action by Purchaser, and then Issuer will pay that amount. Upon the occurrence of any other default described in that paragraph, Purchaser may declare the entire unpaid principal balance under this Warrant and all accrued unpaid interest immediately due, without notice, and then Issuer will pay that amount.

ATTORNEY'S FEES; EXPENSES. Purchaser may hire or pay someone else to help collect this Warrant if Issuer does not pay. Issuer will pay Purchaser that amount. This includes, subject to any limits under applicable law, Purchaser's attorneys' fees and Purchaser's legal expenses whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. If not prohibited by applicable law, Issuer also may pay any court costs, in addition to all other sums provided by law.

CHOICE OF VENUE. If there is a lawsuit, Issuer agrees upon Purchaser's request to submit to the jurisdiction of the courts of LIMESTONE County, State of Alabama.

RIGHT OF SETOFF. To the extent permitted by applicable law, Purchaser reserves a right of setoff in all Issuer's accounts with Purchaser (whether checking, savings, or some other account). This includes all accounts Issuer may open in the future, and all accounts containing funds the sources of which are derived from those sources set forth in §11-28-3 of the *Code of Alabama* (1975), as amended. However, this does not include any accounts for which setoff would be prohibited by law. Issuer authorizes Purchaser, to the extent permitted by applicable law, to charge or setoff all sums owing on the debt against any and all such accounts.

MINUTES, LIMESTONE COUNTY COMMISSION, SEPTEMBER 19, 2016

COLLATERAL. This Warrant is unsecured and shall be a general obligation debt of Issuer.

SUCCESSOR INTERESTS. The terms of this Warrant shall be binding upon Issuer, and upon Issuer's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Purchaser and its successors and assigns.

NOTIFY US OF INACCURATE INFORMATION WE REPORT TO CONSUMER REPORTING AGENCIES. Issuer may notify Purchaser if Purchaser reports any inaccurate information about Issuer's account(s) to a consumer reporting agency. Issuer's written notice describing the specific inaccuracy(ies) should be sent to Purchaser at the following address: First National Bank Main Office, PO Box 289, Pulaski, TN 38478.

GENERAL PROVISIONS. If any part of this Warrant cannot be enforced, this fact will not affect the rest of the Warrant. Purchaser may delay or forgo enforcing any of its rights or remedies under this Warrant without losing them. Issuer and any other person who signs, guarantees or endorses this Warrant, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Warrant, and unless otherwise expressly stated in writing, no party who signs this Warrant, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Purchaser may renew or extend this Warrant for such length of time as allowed by law, or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Purchaser's security interest in the collateral; and take any other action deemed necessary by Purchaser without the consent of or notice to anyone. All such parties also agree that Purchaser may modify this Warrant without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Warrant are joint and several.
