3. No member will speak more than twice on the same subject without permission of the Chair.

4. A member shall be deemed to have yielded the floor when he or she has finished speaking. A member may claim the floor only when recognized by the Chair.

4. Motions to "lay on the table" are made to end debate on a matter and to "remove" it from consideration by the body. 5. Motion to "postpone" or "carry over" must be made by stating the date or time for which the item shall be postponed or carried over. Should such a motion be adopted, the matter will be back before the commission at the first regular meeting of the commission following the expiration of the time for which it was postponed or carried over.

6. Motions to "substitute" or "amend" a motion are used to make changes or revisions in the original motion. Such motions are made only after the original motion has received a second but prior to the adoption of the original motion. ## MINUTES, LIMESTONE COUNTY COMMISSION, MAY 21, 2018

7. Any Commissioner may move to close, or end, debate and “move the question” shall be non-debatable. A Commissioner may amend the main motion in either of the following two ways:

1. By Consent of the Members. The Chair, or another Commissioner through the Chair, may ask for certain changes to be made to the main motion. If there are no objections from the maker of the motion, the motion shall stand as amended.

2. Formal Amendment. An amendment may be presented formally by moving to amend the motion in some way. If it is in the form of a formal motion to amend, a second shall be required and discussion shall follow on the amendment. If an amendment passes, the main motion shall be the motion as amended. If it fails, the motion shall be the motion as it was before the amendment was presented.

### D. Motions to Reconsider.

A motion to reconsider any vote or proceeding of the Commission may only be made and seconded by a Commission Member who had previously voted on the prevailing side. Such motion must be made before the conclusion of the meeting during which the original motion was made and approved. A motion to reconsider must be adopted by a majority of those members of the Commission present and voting.

## MINUTES, LIMESTONE COUNTY COMMISSION, MAY 21, 2018

D. Voting by Chair. Unless otherwise authorized by law, officials holding the office of County Commission Chair who do not represent a district shall only vote in those cases when his or her vote would break a tie vote. A Commissioner who is serving as Chair shall vote when his or her district number is called. Such Chair shall only vote once on each motion and shall not cast an additional vote to make or break a tie vote.

E. Absent for Vote; Changing Vote. Any Commissioner absent for a vote on a particular item may record his or her vote, and any Commissioner may change his or her vote before the next item is called for consideration, or before a recess or adjournment is called, whichever occurs first, but not thereafter, except with the consent of all the Commissioners who voted thereon.

F. Majority Vote; Extraordinary Majority Vote; Tie Vote. The passage of any motion, policy, ordinance or resolution shall require the affirmative vote of at least the majority of the members of the Commission who are present and voting. **MINUTES, LIMESTONE COUNTY COMMISSION, MAY 21, 2018**

**MOTION** was made by Stanley Hill and seconded by Steve Turner to approve the following road projects in District 1.

<b>Road Name</b>	<b>Length in miles</b>	<b>Width in feet</b>	<b>Note</b>	<b>Cost</b>
Watson Lane	.5	11	Chip seal	\$5,700.00
Mills Road	.35	12	Chip seal	\$4,200.00

The Chairman asked if there was any discussion. There was no discussion. The Administrator called the roll. Stanley Hill, aye; Steve Turner, aye; Jason Black, aye; and Ben Harrison, aye. Motion carries unanimously.

Commissioner Hill reported his district is preparing roads to be chip sealed, patching, ditching and other routine maintenance. He requested motorists use caution when workers are present. Litter dump sites continue to be a problem and asked if anyone sees someone dumping, to please report.

Commissioner Turner stated that he had talked with the engineer paving foreman and it will be three weeks before the paving crew will be in his district. In the meantime, his district will be making improvements to the base. His district bush hogged a few areas either missed by the vegetation control program or the weeds were being resistant to the chemical, and performing routine maintenance.

Commissioner Black discussed installing a fence at the backside of the tool shed property to connect with the fence on the other sides of the property. He addressed the request from Mr. John Strickland regarding the need for road repairs on Henderson and Wall Roads. He plans to repair the base failures where needed and put it on the list to top with tar and gravel and tar and gravel. He explained the length of the two roads total about 2.5 miles and would cost approximately \$320,000 to pave.

Commissioner Harrison reported his district has completed a significant amount of ditching on Barker Road. He also addressed Mr. Strickland, stating base repair is what is needed on a lot of the roads before considering resurfacing. He said that engineering is trying to come up with different methods to reduce cost that would give an acceptable surface. He said the current cost structure is high and the only way he would support a gas tax is if there was an honest effort to reduce cost.

Chairman Yarbrough thanked everyone for attending.

Recessed at 10:30 a.m. until 10:00 a.m. on Wednesday, May 30, 2018, at the Washington Street Courthouse Annex, 310 West Washington Street, Athens, Alabama.
