Job Summary

Under the supervision of the Communications Supervisor – Lieutenant, the employee performs duties related to the operation of the communications division of the Sheriff's Office. Employee receives calls, dispatches calls to appropriate unit, and gives information or instructions to callers. Employee also assists with the administrative

function of the Sheriff's office. This job is considered safety-sensitive and subject to a pre-employment background check and random drug screenings.

Essential Functions

ESSENTIAL FUNCTIONS: The following list was developed through a job analysis; however, it is not exhaustive and other duties may be required and assigned. A person with a disability which is covered by the ADA must be able to perform the essential functions of the job unaided or with the assistance of a reasonable accommodation.

ESSENTIAL FUNCTION: Communications and Dispatch. The employee performs communications and dispatch duties to assist Sheriff's Office and jail personnel in the enforcement of law.

1. Reports to supervisor for assigned duties and instructions.
2. Makes daily checks for functionality of all communications, teletype, and computer equipment; constantly monitors jail, fire alarms, and smoke detectors.
3. Notifies IT technician regarding equipment failures; makes written report of failure and notifies Supervisor and 911Center.
4. Receives complaints from the public; takes all necessary information including name, location, nature of complaint and required response; enters all information into department database system.
5. Dispatches calls to patrol units.
6. Notifies Sheriff, Chief Deputy, Investigators, and supervisor of major crime alerts and those instances established by policy and departmental procedure.
7. Routes calls to ambulatory services.
8. Maintains continuous contact with patrol units to monitor their locations; ensures units are not out of contact for extended periods of time; dispatches assistance as needed.
9. Maintains continuous contact with Corrections personnel, ensure officers are not out of contact for extended periods of time; dispatches assistance as needed.
10. Receives and dispatches appropriate response for automated and phone-in burglary calls; utilizes TDD equipment for deaf and handicapped callers.
11. Monitors State Emergency Management, local Emergency Management and Browns Ferry Nuclear Power Plant for disaster alerts and emergencies; monitors communications from Severe Weather Broadcast Center and disseminates information as needed.
12. Provides information to the general public regarding weather and road conditions.
13. Maintains emergency telephone lists for all County schools, fire departments, County road shops, highway departments, utilities, and an individual contact person for each.

14. Performs continuous computer inquiries regarding tag registration, warrants, criminal histories, driver's license, stolen property verification, 911 addressing for call location, etc.
15. Transmits and receives administrative messages by teletype with other agencies.
16. Maintains activity log for NCIC transactions as required.

ESSENTIAL FUNCTION: Administrative/Clerical Assistance. The employee performs administrative duties and support duties for the Sheriff's office.

1. Completes required application process for state pistol licenses; performs criminal history inquiries on applicant; approves and issues as required; enters data into departmental database.
2. Performs research as required to compile criminal history, missing person, investigative, wanted, and intelligence records; maintain required dissemination logs for NCIC audits.
3. Serves different types of court issued papers in accordance with established procedures; provides general information to person receiving papers as to their responsibility of response or action.
4. Makes written execution upon service of court issued papers including date of service, place of service, and person receiving process.
5. Assists in jail inmate searches in the absence of gender appropriate personnel.
6. Locates and transfers records for the court; ensures confidentiality of internal business records and criminal histories per departmental procedure.
7. Enters wanted information for persons, articles, vehicles, guns, etc., into departmental database and NCIC computer system; maintains entry logs to comply with NCIC audit requirements.
8. Prepares faxes or transmits specific press releases for the Sheriff as required.
9. Prepares daily arrest and activity data for transmittal to the Pardons and Paroles officers.
10. Maintains accurate written documentation supporting all activities regarding telephone, voice transmission, and teletype communications.
11. Ensures all equipment is properly maintained and in working order.
12. Attends all required training.

NON-ESSENTIAL FUNCTIONS:

Performs other job-related duties as required or assigned.
