Present: Daryl Sammet, Steve Turner, Jason Black, and Ben Harrison. Absent: None. Collin Daly, Chairman presided.

Cameron Clark with the Alabama Department of Revenue Local Tax Administration, Sales & Use Tax Division accompanied by Stacey Parker and Russell Jones presented the Commission with the benefits of continuing to partner with the Department of Revenue to administer and collect the county's local sales and use taxes.

Items were discussed for the March 2, 2020 agenda.

Commissioner Sammet reported the fallen tree had been removed from the Courthouse and the lawn is ready for sod.

Commissioner Turner reported his district is still fighting potholes and clearing culverts created by all the heavy rains.

Commissioner Black said, as the county's ACCA Legislative Committee nominee, he would be giving periodic reports, at the commission meetings, throughout the legislative session. He reported his crew are still dealing with washed out roads from the heavy rain. They are working on collapsed tiles on Beachwood Road.

Commissioner Harrison reported his district continues to feel the effects of the rains. His district is working on two culverts on Patterson Hill; one in conjunction with the slide a few years ago. He plans to dig out and replace with slag and build over. He reminded people to be patient that this has been an unusual wet season.

Chairman Daly thanked Commissioner Sammet and his crew for removing the fallen tree from the Courthouse lawn. He announced the State of the County address.
