

**MINUTES, LIMESTONE COUNTY COMMISSION, DECEMBER 21, 2020  
WORK SESSION**

The Limestone County Commission reconvened the meeting from December 7, 2020 at 9:00 a.m. today at the Clinton Street Courthouse Annex, 100 South Clinton Street, Athens, Alabama.

Present: Daryl Sammet, Danny Barksdale, Jason Black, and LaDon Townsend. Absent: None. Collin Daly, Chairman presided.

Items were discussed for the December 21, 2020 commission meeting agenda.

It was requested by Jason Black to move "Item 2." listed under "Other Business" to the next meeting in order to further discuss proposals from J M Wood Company, Inc. and an additional auction company. Everyone agreed to move said proposal to the meeting on January 4, 2021.

Commissioner Sammet reported that in order to improve drainage issues, his crew was working on adding additional culverts where bigger culverts should have been installed before the paving of roads. He stated that he has a lot of problems from residents that do not install proper tile. He stated that some residents had used PVC pipe on Slate Road. County Attorney, Mark Maclin, informed the Commissioners that the residents/homeowners would need to be contacted and given a time frame to correct the issue, but if the problem was not corrected within that time frame then proceed with court action.

Chairman Daly reported that the Commission would be entering into Executive Session at the end of today's Commission Meeting to discuss a security plan matter and that no action would be taken during said meeting.

**Recess:** until 10:00 a.m.
