

**MINUTES, LIMESTONE COUNTY COMMISSION, MARCH 1, 2021  
WORK SESSION**

The Limestone County Commission reconvened the meeting from February 22, 2021 at 9:00 a.m. today at the Clinton Street Courthouse Annex, 100 South Clinton Street, Athens, Alabama.

Present: Daryl Sammet, Danny Barksdale, Jason Black and LaDon Townsend. Absent: None. Collin Daly, Chairman, presided.

Items were discussed for the March 1, 2021 commission meeting agenda.

Chairman Daly requested that I.T. Director, Jonathan Yerdon, explain the Web-Based Voter Information System. Jonathan Yerdon explained that the system would allow the Board of Registrars the ability to look-up district locations and update districts and compared the system to the use of Google maps. Chairman Daly explained that the census data will not be here until September and this system will speed up that process.

County Engineer, Marc Massey, informed the Commission that herbicide spraying would begin this week and that IVM Solutions were at the office gathering data and information to start spraying tomorrow if weather permits.

Commissioner Jason Black stated that the following equipment needs to be sold and requested it be added to the meeting agenda: two tractors; cutter; bulldozer; F250 dump truck; front-end loader; and generators.

Recessed until 10:00 a.m.
