

**MINUTES, LIMESTONE COUNTY COMMISSION, JUNE 8, 2021  
WORK SESSION**

The Limestone County Commission reconvened the meeting today from May 17, 2021 at 9:00 a.m. at the Clinton Street Courthouse Annex, 100 South Clinton Street, Athens, Alabama.

Present: Daryl Sammet, Danny Barksdale, Jason Black and LaDon Townsend. Absent: None. Collin Daly, Chairman, presided.

Nick Goodman of Mobile Communications American presented to the Commission for their consideration a plan to implement a Motorola APCO Project 25 county-wide radio system to serve all of the public safety agencies in the county and be available to all of the public service providers and school systems in the county.

Kelly Howard of Martin & Cobey Construction presented to the Commission a proposed plan for the construction of two walk-up windows to be installed at the Clinton Street Annex for the License Department. After detailed discussion of the proposed plans, Mr. Howard stated that he needed approval for them to move forward with the structural engineer to review the design for the approximate cost between \$3,000.00 - \$4,000.00. The Commission was in agreement with same.

Items were discussed for the June 8, 2021 commission meeting agenda.

County Engineer, Marc Massey, informed the Commission that the lease of a motorized sweeper broom needs to be added to today's agenda. Mr. Massey stated that Thompson Tractor would lease the broom to the county with the option to purchase in six months, and 100% of the lease payments would be applied to the purchase price. It was also noted that the lease purchase was through a purchasing cooperative.

Chairman Collin Daly thanked everyone for attending.

Recessed until 10:00 a.m.
