Purpose

The Athens-Limestone GIS Consortium is founded on the concept of encouraging public agencies to share in the creation, use, and maintenance of GIS data sets at the least possible cost. Two key features of the Consortium are:

- Data creators (primary custodians) retain ownership of their GIS data sets, but agree to share it with other Consortium members for free or, at most, for the cost of copying it; and
- Users of the GIS data (secondary custodians) pass updates, corrections, and revisions back to the creators of the data set, resulting in improved data quality.

Computerized geographic data that is created, collected, processed, disseminated, and stored by public agencies in Athens/Limestone County, Alabama is a valuable information resource. This agreement will facilitate the sharing of Geographic Information System (GIS) data and improve access to computerized geographic data across all levels of government.

This agreement encourages public agencies to share in the creation, use, and maintenance of GIS datasets at the least possible cost, while providing citizens and other data users easy access to this resource, when appropriate. In

addition, it is designed to:

- Reduce costs and duplication of effort.
- Increase awareness of the availability of existing datasets.
- Ensure completeness and accuracy of information describing the datasets (metadata).
- Ensure adherence to data standards.
- Improve the quality of data.
- Ensure interagency/interdepartmental cooperation via data access.
- Provide public access to information where appropriate; and
- Facilitate coordination of GIS data collection, maintenance, and sharing among State, Regional, County, and Local Agency users.

To the goals of the Athens-Limestone GIS Consortium, members must pledge to:

- 1) Share the benefits of data sharing through policies, standards, and services that maintain and promote the broadest possible access to the best available data and information resources while supporting the vitality of the geospatial industry.
- 2) Make accessible, whenever feasible, all geospatial data suitable for use by the consortium members
- 3) Establish strategic partnerships to develop and deploy geospatial applications through collaborations involving agencies throughout the state.
- Collaborate with other consortium members in seeking additional funding for accumulation of geospatial data.
- 5) Facilitate cooperation between state and local governments and industry in geospatial data through cost sharing.
- 6) Add additional members that are approved by the Consortium.
- 7) Support compliance testing of proposed new software and hardware to ensure that new software and equipment will be fully compatible with data being shared within the Consortium. Sample data sets can be made available to prospective software and hardware vendors along with a compliance test procedure.

Scope

Under this MOU, cooperative activities between the Consortium member organizations include, but are not limited to, the exchange of geospatial data and the exchange of technical information and expertise in support of related activities.

As funding allows, the Consortium will establish the infrastructure and procedures necessary to query, collect, receive, archive, access, process, and deliver these data to Consortium member organizations. The consortium will strive to expedite access to data that are contained within the member archives.

Governance

Membership within the Consortium shall include two statuses, member (voting) and affiliate member (non-voting). Consortium members may be Data distributors (archival and distribution nodes for geospatial data) or Data users. All members are expected to provide access to data and information developed by their respective departments. Data providers will take on the added responsibility of providing public access to data archives where appropriate.

The Consortium is governed by a majority vote of its full members. Each full member shall have an equal vote. Responsibilities and resources shall be distributed according to the guidelines established by the Steering Committee.

The PROJECT MANAGEMENT AGENCY shall be responsible to the GIS Steering Committee for the establishment of the GIS as specified in this MOU.

The Consortium members shall meet at a minimum of 2 times a year to review the progress of the GIS program, review and revise the project implementation plan, address additional needs of the Consortium. Committees and other ad hoc groups may meet more or less frequently.

Responsibilities

Responsibilities of the member organizations are to:

- Participate in appropriate training programs, workshops, meetings, and seminars.
- Participate in preparation of joint reports, documents, and proposals as determined and agreed to by the members.
- Provide public access to data and information developed for the state/region by Consortium members where not limited by licensing restrictions and were deemed appropriate by the members.
- Data distribution custodians shall implement, operate, and maintain adequate facilities for archiving geospatial data and data products.

 - (vi) Motorola agrees to comply, to the extent applicable, with requirements of the Hatch Act (5 U.S.C. §§ 1501-1508 and 7324-7328), which limit certain political activities of state or local government employees whose principal employment is in connection with an activity financed in whole or in part by this federal assistance.
 - (vii) Motorola understands that making false statements or claims in connection with the use of ARPA funds is a violation of federal law and may result in criminal, civil, or administrative sanctions, including fines, imprisonment, civil damages and penalties, debarment from participating in federal awards or contracts, and/or any other remedy available by law.

Maureen Neighbors Chief, Digital Expansion Division Alabama Department of Economic and Community Affairs (ADECA) Via email: broadband.fund@adeca.alabama.gov

Dear Ms. Neighbors,

I am writing on behalf of the Limestone County Commission to express our support for the grant application and proposed project submitted by Spectrum Southeast, LLC "Spectrum" to the Capital Projects Fund. We have reviewed the application, including the proposed project service area and proposed service offerings described by Spectrum and believe that this project will expand access to reliable, high-speed broadband services to our community.

In addition, we have discussed the needs and opportunities within our community with Spectrum. To meet the needs of disadvantaged residents in the county, Spectrum offers Spectrum Internet Assist (SIA), which provides a low-cost broadband product to qualifying households. Specifically, Spectrum has agreed to work with us on an additional project that will directly benefit our community. If awarded, Charter has committed to establish a digital literacy training program at a mutually agreed upon local library within the county. Additionally, their proposed project area includes a number of community anchor institutions across Limestone County.

We look forward to working with Spectrum to bring these benefits to our community and we urge ADECA to approve this grant application. Please contact Collin Daly, Commission Chairman, (256) 233-6400 with any questions or to discuss our work with Spectrum on this proposed project.

Sincerely,

Collin Daly Commission Chairman 310 W. Washington Street Athens, AL 35611 collin.dalv@limestonecountv-al.gov (256) 233-6400

12. WARRANTIES AND REPRESENTATIONS; DISCLAIMER

A. By Customer. Customer hereby represents and warrants to 3^{RD} EYE that:

- (1) It will provide any required notifications and obtain approval from its employees (if required by law), to record, permit the recording of, and disclose, transmit, provide, and authorize 3RD EYE's use of all Customer Data collected by 3RD EYE or disclosed by Customer.
- (2) It has read and understands the <u>Data Privacy Requirements</u>, is familiar with, and complies with all applicable laws and regulations, including those set forth in the <u>Data Privacy Requirements</u> regarding the collection, recording and provision by Customer of all Customer Data;
- (3) All Customer Data provided to 3RD EYE by or for Customer hereunder shall comply with all applicable laws and will not infringe the intellectual property or other rights of any third party.

- (4) It will implement non-disclosure agreements, notifications, and policies with its employees, contractors, and personnel to ensure all 3RD EYE Technology and Services are used only for the purpose of monitoring driver behavior, coaching and incident review without any public disclosure of that data; and
- (5) Customer will not remove, obscure, alter or modify any notices that appear in or on the 3RD EYE System.
- B. <u>By 3RD EYE</u>. 3RD EYE hereby warrants to Customer as follows:
- (1) Services. The Services provided under this Agreement will be performed using commercially reasonable efforts conforming to generally accepted industry standards. In the event of a breach of this warranty and notice thereof to 3RD EYE, 3RD EYE's sole liability and Customer's exclusive remedy shall be re-performance of the non-conforming Service or the extension of the Service obligation for an equivalent period in the event of Service failures exceeding thirty (30) days.
- (2) Equipment. Upon delivery of any Equipment to Customer's Installation Location, 3RD EYE shall provide its Standard Limited Warranty. In the event of a breach of the Standard Limited Warranty, and written notice thereof to 3RD EYE during such period, 3RD EYE's sole liability and Customer's exclusive remedy shall be repair or replacement (at 3RD EYE's discretion) of defective Equipment. 3RD EYE may use new or refurbished service parts in making warranty repairs in 3^{RD} EYE's discretion. 3^{RD} EYE may replace or substitute any Equipment as part of Customer's warranty with any other equipment of like features and functionality. If the foregoing is not commercially practical, 3RD EYE, at its option, may refund fees paid by Customer for Equipment that fails to meet the warranty. Customer agrees that the foregoing warranty shall not apply if: (a) Customer fails to timely notify 3RD EYE of defects; or (b) the Equipment defect is caused by (i) negligence, misuse, accident, fire, variation or interruption of Internet service; (ii) failure to properly maintain the Equipment; (iii) failure to purchase and/or implement, as applicable, any new or supplemental hardware and/or software/software upgrades due to a change to the 3RD EYE Services Network; (iv) alterations or tampering by anyone other than 3RD EYE, or without approval from 3RD EYE, to Equipment or hardware or software that interfaces with the Equipment after installation; or (v) any attempt to service Equipment other than by a 3RD EYE service representative (including the addition or removal of any third party hardware, peripherals or software). This Equipment warranty excludes any Equipment not manufactured by 3RD EYE, including any used to support the delivery of Services to Customer.
- C. <u>DISCLAIMER</u>. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 12(B)(2), CUSTOMER AGREES THAT ALL EQUIPMENT, SOFTWARE, SERVICES, AND/OR MATERIALS PROVIDED HEREUNDER BY 3RD EYE TO CUSTOMER ARE "AS IS" AND "AS AVAILABLE", AND 3RD EYE HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. 3RD EYE MAKES NO REPRESENTATION OR WARRANTY THAT REMOTE ACCESS WILL BE CONTINUOUS OR UNINTERRUPTED, THAT THE 3RD EYE WEB PORTAL WILL BE ERROR-FREE, OR THAT ANY SPECIFIC RESULT OR OUTCOME WILL BE ACHIEVED BY UTILIZING THE EQUIPMENT AND/OR SERVICES.

13. TERMINATION AND LIQUIDATED DAMAGES.

- A. <u>Termination for Cause</u>. Either Party may terminate this Agreement if: (1) the other Party breaches a material term of this Agreement and fails to cure the breach within thirty (30) days' written notice thereof; or (2) based on the other Party's insolvency or a filing of any proceeding by or against that Party seeking relief from creditors.
- B. Vehicle Cancellation for Convenience. Customer may cancel a Subscription for individual, specified truck(s) or unit(s) (e.g. that is/are being taken out of service) upon written notice to 3RD EYE, provided that: (a) Customer promptly and properly disables and disconnects all Equipment associated with all Customer Vehicles subject to the cancellation per the procedures and instructions provided by 3RD EYE; and (b) such premature cancellation shall trigger payment by Customer of lump sum liquidated damages payment(s) per the formula and terms set forth in Section 13 (D) below. Said lump sum payment shall be due and owing as of the invoice period immediately following the vehicle Subscription cancellation.
- E. <u>Effect of Termination</u>. Termination of this Agreement will not relieve Customer of its obligation to pay Fees accrued or owed through the date of termination. Customer's access to the 3RD EYE Portal to retrieve any data residing on the 3RD EYE System will cease on the date of termination. Upon Termination for any reason and/or cancellation of any Vehicles by Customer as permitted in Section 15(B), Customer shall promptly disable and disconnect all Equipment per the procedures and instructions provided by 3RD EYE. Without limiting the foregoing, Customer shall defend, indemnify and hold harmless any 3RD EYE Indemnitee, from and against any and all liabilities, including attorneys' fees, incurred as a result of any claims, demands, actions or lawsuits based on

the continued operation of any Equipment associated with Customer's Vehicles, including due to Customer's failure to disable and/or disconnect all Equipment associated with Customer Vehicles as required herein, including, without limitation, any property damage or destruction (fires, accidents or other damages) and/or bodily injuries, including death. Customer's liability under the obligations set forth in this Section 15(C) shall not be subject to Section 16 (LIMITATION OF LIABILITY).

- D. <u>Liquidated Damages</u>. Customer agrees that 3RD EYE's actual damages resulting from Customer's cancellation of Subscription(s) per Section 13(B) would be difficult, if not impossible, to ascertain. Accordingly, Customer acknowledges and agrees to pay to 3RD EYE as liquidated damages, not as a penalty, an amount equal to 50% of the average Fees for the then-remaining period of the Term of the cancelled Subscription(s), calculated as follows: fifty percent (50%) of the average of the Customer's Fees payable to 3RD EYE for then then-previous 12 month period (or the entire period Customer has owed Fees to 3RD EYE if that period if less than 12 months) ("Average Fees") times the number of months then-remaining in the term of such cancelled Subscription(s) (i.e., (50%) x (Average Fees) x (number of months remaining in the remaining term of each cancelled Subscription)). Customer and 3RD EYE hereby agree that the sum calculated as set forth above represents reasonable liquidated damages in this context.
- 14. CONFIDENTIALITY. During the Term, and for five (5) years thereafter (and indefinitely with respect to any trade secrets), Customer shall maintain the confidentiality of 3RD EYE Confidential Information and shall not sell, license, publish, display, disclose or otherwise make available the Confidential Information to any third party nor use such information except as authorized in writing. With respect to any software available via or related to the Services or the Equipment, including, without limitation, the 3RD EYE Web Portal, Customer shall not: (a) modify, create derivative works from, distribute, publicly display, publicly perform, or sublicense such software; or (b) copy, disassemble, decompile, or reverse engineer such software.

15. INDEMNIFICATION.

- A. <u>By 3RD EYE</u>. 3RD EYE agrees to defend, indemnify, and hold harmless Customer from and against any third-party claims, damages, losses, and liability (collectively, "Customer Liabilities"), for third party claims of infringement of any United States patent based solely upon Customer's use of the Services as permitted hereunder. Customer agrees to notify 3RD EYE of any such claim promptly in writing, allow 3RD EYE to control the proceedings and cooperate fully with 3RD EYE during such proceedings. In the event of such infringement, 3RD EYE may, at its sole option: procure for Customer the right to continue to use the affected Service(s); modify the affected Service(s) to make them non-infringing; or substitute other Equipment or Service(s) of like features and functionality. If, in 3RD EYE's sole discretion, none of the foregoing is commercially reasonable, 3RD EYE may terminate this Agreement and credit Customer the actual Fees paid for the affected Equipment (subject to a four-year straight-line depreciation) and/or refund Fees paid by Customer for any unused Services.
- B. <u>Exceptions</u>. 3RD EYE shall not be liable for nor indemnify Customer for any Customer Liabilities arising from: (1) use of any Equipment or Services after 3RD EYE notified Customer to cease such use; (2) modification or service of any Equipment by anyone other than 3RD EYE; (3) the combination of any Equipment or Service(s) with any product not supplied by 3RD EYE; (4) negligence or willful misconduct by Customer; (5) compliance with Customer-stipulated designs, specifications or instructions, or (6) use of any Equipment or Service other than as set forth herein. THIS IS CUSTOMER'S SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO THE FOREGOING.
- C. <u>By Customer</u>. In addition to Customer's other indemnification obligations herein, Customer agrees to defend, indemnify and hold harmless 3RD EYE, its affiliates, insurers, officers, employees, agents and personnel (each a "3RD EYE Indemnitee"), from and against any and all liabilities incurred by a 3RD EYE Indemnitee as a result of any claims, demands, actions or suits brought by any third party against a 3RD EYE Indemnitee based on a breach by Customer of the representations and warranties set forth herein. 3RD EYE shall promptly notify Customer of any such claim and, if 3RD EYE allows Customer to defend 3RD EYE, to allow Customer to control the proceedings. 3RD EYE shall cooperate with Customer during such proceedings. Customer shall defend and settle at its sole expense all such proceedings.
- D. <u>Indemnification Procedure</u>. If 3RD EYE defends any 3RD EYE Indemnitee hereunder, Customer shall allow 3RD EYE to control the proceedings, cooperate fully with 3RD EYE during such proceedings, and bear 3RD EYE's costs associated with such defense and/or settlement. Any such settlement by 3RD EYE wherein the settlement or court verdict is indemnified by Customer shall require Customer's agreement, such agreement not to be unreasonably withheld or delayed.
- 16. LIMITATION OF LIABILITY. EXCEPT FOR LIABILITY ARISING OUT OF CUSTOMER'S INFRINGEMENT OF 3RD EYE INTELLECTUAL PROPERTY OR OTHER PROPRIETARY RIGHTS,

OR THE VIOLATION OF THE CONFIDENTIALITY OBLIGATIONS OF SECTION 14, IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES; OR DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA, OR USE, OR COST OF SUBSTITUTE PROCUREMENT, INCURRED BY EITHER PARTY OR ANY THIRD-PARTY, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF THE OTHER PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF SUCH DAMAGES ARE FORESEEABLE. IN NO EVENT WILL 3RD EYE'S LIABILITY FOR DAMAGES EXCEED THE AMOUNTS ACTUALLY PAID BY CUSTOMER TO 3RD EYE UNDER THIS AGREEMENT DURING THE 12-MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO LIABILITY. THE PARTIES ACKNOWLEDGE THAT THE LIMITATIONS OF LIABILITY AND THE ALLOCATION OF RISK HEREIN ARE AN ESSENTIAL ELEMENT OF THE BARGAIN BETWEEN THE PARTIES, WITHOUT WHICH 3RD EYE WOULD NOT HAVE ENTERED INTO THIS AGREEMENT.
